

The image features a central graphic of a heart shape created with a thick, textured brushstroke in a light pinkish-red color. The text 'HAPPY' is written in a simple, uppercase, sans-serif font inside the top part of the heart. Below it, the words 'Mother's Day' are written in a large, elegant, black cursive script. The entire composition is surrounded by various watercolor-style floral elements: pink and orange flowers, green leaves, and stems, scattered across the white background.
